THE BEE HIVE Our PARIS ...PATTERN HATS

Have met with a flattering reception. Patrons wonder that we can sell 'em at such modest prices. The secret, by the way, lies in our buying them in such large quantities and from first hands. All declare the styles unique and absolutely proper. No two trimmed alike. Prices from \$1.69 to \$6.50, but worth fully 30% to 40% more.

A COMPLETE DRESS GOODS STOCK.

We believe we are justified in stating that our Dress Goods stock is now complete in every detail. There's nothing in woolen or cotton fabrics that Fashion decrees in vogue for spring of 1900 but what you will find it here. Venetians for the tailor-made gown at 50c, 50c and \$1.25, all colors. Plaid homespun, 40 inches wide, worth fully 75c, our price 50c. Golf plaids from \$1 to \$2.25 per yd. The new stripes, in cloths of all wool, 50c to \$1 a yard. Sybiline Plaids 50c a yard. The Black Dress Goods stock is a department in itself. Crepons from \$1 to \$2.75 a yd. Gossamer Cloth, a gem of the weaver's art, 54 inches wide, \$1 a yd. Black Merized Brocades that are sold elsewhere at 40c are priced here at 25c, and a host of other fabrics that lack of space prevents mentioning.

\$12.50 TAILOR-MADE SUITS FOR \$8.49.

We ask you but to inspect these suits and judge of their merits for yourselves. They are made of all-wool Venetian Cloth, jacket lined with silk and skirt with best grade percaleine. We guarantee a proper fit with each suit. Our special price \$8.49.

HER..... MAJESTY'S Corset! MAKES PERFECT FORMS.

If you are stout this Corset will reduce the hips and abdomen to graceful proportions; if you are slender it will round you out and give you a shapely figure. As a form maker Her Majesty's Corset has not its equal in the whole world. It adds a hundred per cent. to the appearance of many who wear it—does it, too, without requiring injurious tight lacing, which is a great deal in its favor. Ask to see Her Majesty's.

The Bourbon News says Robinson Green, an attaché of the Adams Express office in Paris, has a rare old violin which it is believed to be over two hundred years old. It was an old instrument when his great-grandfather, who came from Virginia, became the owner of it, and it has been handed down from father to son. An almost illegible label on the inside shows the figures 1781, and another label shows that it was repaired in 1844 by Ben Hart of Maysville. The violin has been used so long that the neck of it has nine little hollows worn in it by the finger nails of the players. Its present owner values it very highly.

UNRULY PRISONER.

Harry Harvey, White, Slashes Ed Dobyns, Colored, at the Jail.

Harry Harvey, white, has been in Jail for some time awaiting trial for the theft of some goods from the residence of Mrs. Boyd, and also for appropriating an overcoat belonging to Dr. G. M. Williams.

Ed. Dobyns, a colored man of Tollesboro, was serving a sentence for carrying a gun, and his time would have expired on the 28th inst.

These two have not gotten along as "men and brothers," and frequent "spats" have occurred.

Yesterday, just after breakfast, Dobyns was standing perfectly quiet near the radiator on the first floor, when Harvey came down the stairway and without a word made an attack upon him with a knife, inflicting a terrible gash across the face from the eyebrow downward, also stabbing him in the left breast near the heart and in the arm.

This was done so quickly that Turnkey Slack, who was standing near, did not know it, and it was not until Harvey had made a circuit of the cells and emerged from an opposite passway that Mr. Slack was apprised of what had happened.

He then asked Harvey what he had done to Dobyns, his reply being that he had hit him with a rock.

Just then the Turnkey saw the knife in Harvey's hand and demanded that he drop it. This was refused, and it was not until Mr. Slack drew his pistol that Harvey surrendered the weapon.

Dobyns's wife is in the city, and the authorities permitted her to take him to a private house where his wounds were attended to and where he now is. His condition is not thought to be dangerous.

Harvey has the reputation of being a tough customer, Jailer McIlvain saying he is the worst prisoner he has ever had, while Dobyns has a good record.

Harvey will have an examining trial at 2 o'clock this afternoon.

LIMESTONE DEBATING CLUB.

"Woman's Sphere" Next Theme For Oratorical Concatenation.

At the meeting of the Limestone Debating Club last Friday night it was decided that the C. and O. Railroad had unquestionably been a benefit to the city of Maysville.

Messrs. R. V. Dryden, Honan and Dally were the orators, and their speeches were marked with much enthusiasm.

Mr. Charles Dieterich as President of the Club is certainly the right man in the right place. His rulings and decisions are fair and impartial.

These meetings are being held in the large and elegant second-story room of the new Fire Hall, with the best of order, and should receive the encouragement and support of the good people of Maysville.

So let everybody turn out next Friday night and give the club a boom.

There will be plenty of music and declamations and in fact everything will be arranged to entertain and accommodate the public. Reserved seats for the ladies.

Messrs. Curran, Duley, Berry and Parker gave testimony of their appreciation of the existence of such society in their community, and Mr. Barbour was also heard to say yes.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from ten drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75 cents. Hall's Family Pills are the best.

NOT A SUICIDE.

Captain Osthelm's Death at Chicago Purely Accidental.

Anent the death of Captain Louis Osthelm of the First U. S. Artillery, particulars of which were given in THE LEDGER yesterday—Mr. Charles Phister has received the following letter:

CHICAGO, April 9, 1900.
Dear Charles: Captain Osthelm's death was entirely an accident. He bought the expensive revolver for the long journey they were to take and being very near sighted bent down over it to examine it in his room, when accidentally falling it, it went off. He had been all along in the best of spirits, talked joyously and pleasantly of future plans, hoped there would be fine weather. He was here till a late hour Saturday, was to come to dinner the next day. Dinner was delayed and time passed on. He always telephoned when even for a few minutes he was hindered, so finally Walter and Charley telephoned to his hotel. They were kept waiting when the reply came from an official there for them to come down. His position and every circumstance proved his death was accidental. He had in every possible way proved his appreciation and respect for E. He was a finely cultivated gentleman; an officer of exceptionally correct habits; had held responsible commands in the Philippines, and as his commanding officer's wife told me months ago was one of the most promising officers in the Army. His health had been much impaired by his stay in the Orient, and although in bad health constantly came here. It was a cruel slander to call his death suicide. The best people in this city are constantly coming—in calls of condolence and expressions of sympathy. His brother will arrive in the morning and presumably lay him beside his father who passed away four years ago.

He had bought the license and left the ticket for trunks to be checked, and had rings in his pocket.

Expect to soon be home. Write at once if you are well. M. J. PHISTER.

Thos. W. Carter of Ashboro, N. C. had kidney trouble and one bottle of Foley's Kidney Cure effected a perfect cure, and he says there is no other remedy that will compare with it. Accept no substitute. J. Jas. Wood & Son and Armstrong & Co.

Does It Pay To Buy Cheap?

A cheap remedy for coughs and colds is all right but you want something that will relieve and cure the more severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes, if possible; if not possible for you, then in either case take the only remedy that has been introduced in all civilized countries with success in severe throat and lung troubles, "Boesche's German Syrup." It not only heats and stimulates the tissues to destroy the germ disease, but always inflammation, causes easy expectoration, gives a good night's rest, and cures the patient. Try one bottle. Recommended many years by all druggists in the world. For sale by J. C. Pecor.
